# The Friends of the Warren County Memorial Library

**Friends of the Library** is a state and national non-profit organization whose only mission is the support of libraries and the advancement of reading and literacy. There are close to eight thousand individual Friends of the Library groups in America!

For the past fifteen years or so, our group (**The Friends of the Warren County Memorial Library**) has been providing extra monies for under-funded needs, supporting the goals of the Library, and helping to provide programs and activities that will enrich our community. As generous as the Library's county budget allocations are,

there are always items that are not included. That's where our Friends group contributes!

We raise money, through membership drives and from the sale of books and other materials in our Bookstore, to increase the holdings of the library, providing books and other materials, as well as special purchases for the Library itself, such as decorative library clocks and a big-screen TV for the Children's Department. **EVERY PENNY THAT WE RAISE GOES TO OUR LIBRARY!**

**WE THANK YOU FOR YOUR SUPPORT

We hope **YOU** will see the benefit of belonging to this group and making a tangible contribution to our wonderful Library, to make sure that our Library is strong, relevant, and well-funded.
