

FIRST Lego League Jr. Permission, Registration and Consent Form

Dear Parent/Guardian,

Compass Youth Center recognizes the need to ensure the welfare and safety of all young people taking part in any activity associated with our organization. In partnership with the Warren County Memorial Library's Summer Reading Program and the N.C. State University and N.C. A & T State University Cooperative Extension, this form serves as the official permission, registration and consent form for your child's participation in this summer enrichment program. We are delighted to have our current Warren County Administrators, Teach for America Professionals and other Education/Community Leaders in our area interested in serving as coaches. Compass Youth Center, in conjunction with FIRST Lego League Jr., will announce the 16 coaches during mid-May once each has undergone successful screening within the Youth Protection Policy.

Next, FIRST Lego League Jr. is an exciting, non-competitive literacy and project based initiative which introduces youth between the ages of 6-9 to the basic fundamentals of Science, Technology, Engineering and Mathematics through the use of Legos. *FLL Jr. will be offered free of charge and on a first come first serve basis to the first 96 students who complete registration.* Beginning on June 24, students will meet with their coaches for 1.5 hours each week for 6 total weeks at the Warren County Memorial Library to work on their project which has a theme "Waste Wise". After which, all 16 teams will congregate to display their work to the community, tentatively scheduled, for August 12, 2016. Parents will be responsible for transporting their child to and from the library throughout this opportunity.

In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the parents and/or guardian. While your child will be taking part in FIRST Lego League Jr. and Compass Youth Center activities to take place in 2016, we would like to ask for your consent to take photographs/videos of the event or activity that may contain images of your child. It is likely that these images may be used as

- A record of the activity or the event.
- In a written evaluation report of the activity or event that will be viewed by Compass Youth Center.
- Publicity material for further activities or events on leaflets/websites/magazines.
- Illustrations of the activities or events in published articles.
- Future grant applications
